Travel agency, tour operator reservation service and related activities	107.9	123.6	122.6	118.9
Security and investigation activities	101.5	105.9	106.4	105.6
Services to buildings and landscape activities	101.6	107.3	108.2	107.4
Office administrative, office support and other business support activities	103.1	107.7	109.2	107.5

In the third quarter of 2022 there was an increase in prices in all surveyed kinds of business services compared to the previous quarter. The highest increase occurred in travel agency, tour operator reservation service and related activities, i.e. by 7.9% (travel agency services increased the most). Subsequently, the prices of publishing activities increased by 3.4% (among others an increase in the prices of publishing services of books, newspapers, journals and periodicals and computer games). The prices of office administrative, office support and other business support activities and information service activities also rose above 3% (by 3.1%). The increase in prices for services in office administrative, office support and other business support activities was influenced, among other things, by an increase in prices for services in activities related to the organisation of conventions and trade shows. The increase in prices of information service activities was largely related to the increase in prices of services provided by web portals. To the smallest extent (by 1.0%), there was an increase in the prices of services in activities related to computer programming, consultancy and related activities, real estate activities and advertising and market research.

Compared to the third quarter of 2021, the highest increase of prices occurred also in travel agency, tour operator reservation service and related activities (by 22.6%). Subsequently, the increase was recorded in the prices of rental and leasing activities (by 15.0%) and publishing activities (by 12.3%). The lowest increases were recorded in the prices of motion picture, video and television programme production, sound recording and music publishing activities (by 5.1%), advertising and market research (by 3.4%) and programming and broadcasting activities (by 1.6%).

In the 3rd quarter of 2022, compared to the previous quarter, the highest price increase was recorded in travel agency, tour operator reservation service and related activities
