

Average paid employment¹ and average gross wages and salaries in enterprise sector in September 2021

19.10.2021

0.6%

Increase y/y average paid employment in enterprise sector

In September 2021, average paid employment in enterprise sector was higher by 0.6% y/y and amounted to 6347.2 thousand, while average wages and salaries were higher by 8.7% y/y and amounted to 5841.16 PLN (gross).

Data regarding the enterprise sector concerns units conducting economic activity classified into selected² kinds of activity by NACE Rev.2 and employing more than 9 persons. Data source is "Report on economic activity" (DG-1). Within the scope of this survey, for the entities with 50 and more persons employed it is a census survey, while for the entities employing from 10 to 49 persons it is a sample one³.

Table 1. Average paid employment and average gross wages and salaries in enterprise sector in September 2021

Specification	IX 2021			I-IX 2021	
	in absolute numbers	VIII 2021=100	IX 2020=100	in absolute numbers	I-IX 2020=100
Average paid employment in thousands	6347.2	99.9	100.6	6339.0	100.2
Average gross wages and salaries total in PLN	5841.16	100.0	108.7	5779.00	108.4
of which excluding payments from profit	5840.90	100.0	108.7	5777.68	108.4

In September 2021 **average paid employment in enterprise sector** minimally decreased compared to the one noted in August this year (by 0.1%). A similar situation occurred in August this year compared to July this year, when the average paid employment decreased by 0.2%. A slight decrease in average paid employment in September 2021 was the result of i.a. end of fixed-term contracts and not extending them, termination of employment contracts (sometimes because of COVID-19), seasonal employment and also it was affected by receiving by employees sickly leave benefits – which, depending on the overall length of their duration, could also have an impact on the way of including these persons in average paid employment and at the same time in wages and salaries (methods of calculating these variables are described in DG-1 report⁴).

Comparing September 2021 to the corresponding month of 2020, an increase in average paid employment by 0.6% was observed.

The enterprise sector is part of the national economy, which means that the data refers to selected entities conducting economic activity

In enterprise sector in September 2021 average gross wages and salaries were on a level similar to the one noted in August 2021, while average paid employment minimally decreased compared to the previous month

¹ Average paid employment after converting the dimensions of part-time employees into full-time jobs.

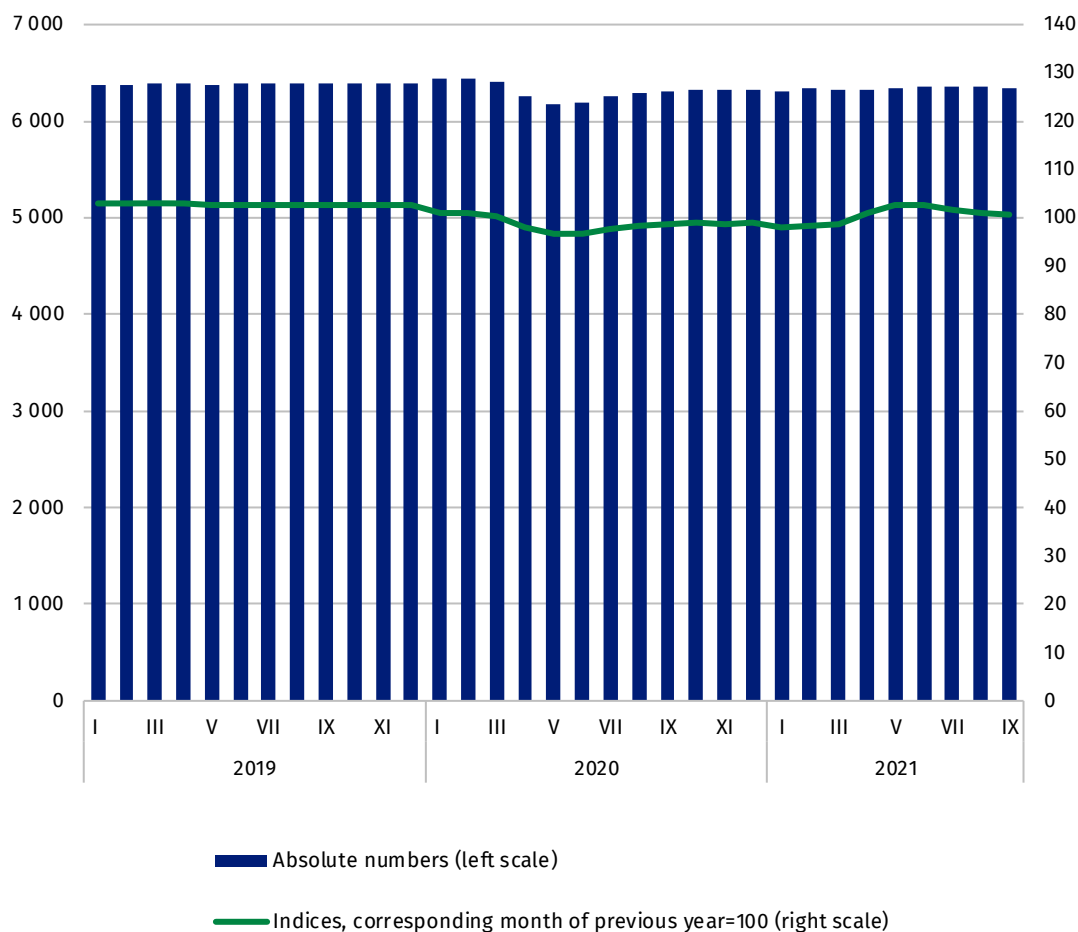

² Activities included in the enterprise sector are listed on page 3.
